## SHS GRANTEE BREAST HEALTH EDUCATION PROGRAMS/EVENTS:

**SNI Chapter:** NE Florida Affiliate Chapter (Jacksonville, FL)

**Event:** "Conquering the Fear of a Breast Cancer Diagnosis"

**Goal/Purpose:** This event targeted young black women under 50 for education on breast health and breast cancer, and the importance of being proactive participants in their own breast health care. The ultimate goal was to reach this population of young black women who are disproportionately affected by triple negative breast cancer and other aggressive forms of breast cancer, and are more likely to die than other ethnicities.

**Date:** October 11, 2025 – October 29, 2025

**Attendees:** 119 (In-person)

**SNI Chapter:** Orlando Affiliate Chapter (Orlando, FL)

**Event:** "3rd Annual "UNAPOLOGETICALLY PINK, Sneakers, Pearls & Purpose Let every step speak." 5K Walk/Run"

**Goal/Purpose:** This year's event was a powerful celebration of strength, hope, and unity as we came together to honor and celebrate breast cancer Survivors and Thrivers. Our guest speaker, Kyndall N. Truett, BS, ACSM-CPT, CET of Orlando Health Hospital, delivered an inspiring message on the importance of health, fitness, and early detection, encouraging participants to prioritize wellness and support one another in the fight against breast cancer.

**Date:** October 18, 2025

**Attendees:** 257 (In-person)

**SNI Chapter:** Tampa Bay Affiliate Chapter (Tampa, FL)

**Event:** "Walk in the Pink Awareness Walk"

**Goal/Purpose:** Fostered community and sisterhood by offering participants the opportunity to connect, support one another, and promote wellness while walking together along the scenic trails at Lowry Park.

**Date:** September 27, 2025

**Attendees:** 185 (In-person)

**SNI Chapter:** Southwest Georgia Affiliate Chapter (Leesburg, GA)

**Event:** "Because She Matters- Survivor Brunch & Tea"

**Goal/Purpose:** Educate breast cancer survivors and patients by emphasizing the importance of resilience and emotional well-being after diagnosis. The event focused on practical strategies to support and balance mental health during survivorship, helping attendees navigate life beyond treatment.

**Date:** October 11, 2025

**Attendees:** 75 (In-person)

**SNI Chapter:** Triangle Affiliate Chapter (Durham, NC)

**Event:** "20th Annual Tea For Two Pink Awareness Campaign"

**Goal/Purpose:** Educate and engage women across faith-based, community service, and healthcare communities about the importance of breast health. The event focused on increasing

awareness of breast cancer prevention by promoting access to breast health information, mammogram resources, and the importance of self-breast exams.

**Date:** June 7, 2025

**Attendees:** 330 (In-person)

**SNI Chapter:** Greensboro Affiliate Chapter (Greensboro, NC)

**Event:** "Surviving & Thriving Breast Cancer Symposium"

**Goal/Purpose:** Educate, empower, and support breast cancer survivors, patients, and their families by providing up-to-date, expert medical information on complex and high-impact topics such as Metastatic and Triple Negative Breast Cancer, delivered by a leading oncologist. Practical life-planning guidance through education on estate planning, helping attendees prepare for the future with confidence and clarity.

**Date:** June 14, 2025

**Attendees:** 125 (In-person)

**SNI Chapter:** Central Virginia Affiliate Chapter (Richmond, VA)

**Event:** Navigating Through Healing

**Goal/Purpose:** We had 3 great speakers:

**Dr. Gabriel**, a Radiologist from Henrico Doctors Hospitals developed the contrast mammogram that has allowed physicians to diagnose more women with breast cancer. He urged women to be your own best Advocate.

**Arnethea Sutton, PhD** is an assistant professor in the Department of Kinesiology and Health Sciences at VCU/MCV Massey Cancer Center. She explained the different types of clinical trial, how they work and how we can find the trial that is right for you.

**Brehonda Lewis-Cuff, MS, LPC** is a solo practitioner and owner of First Choice Counseling Service. She challenged us with "Sistas, What's on Your Plate?"

**Date:** October 18, 2025

**Attendees:** 82 (In-person)

**SNI Chapter:** SE Wisconsin Affiliate Chapter (Kenosha, WI)

**Event:** "Pink Ribbon Sunday"

**Goal/Purpose:** Sisters Network Southeast WI hosted a total of 3 Pink Ribbon Sunday events at local churches which included Survivors sharing their breast cancer journeys in addition to a local medical professional giving a presentation on Breast Cancer Signs and Treatments. After the presentation there was an opportunity for a Q&A session with the Dr. & Survivors. At each event, refreshments were served in addition to a giveaway bag full of resources. We also had a Sisters Network resource table full of materials and membership applications. Nurses in attendance gave clinical breast exams after the worship service.

**Date:** 10/12/25; 10/18/25; 10/26/25

**Attendees:** 210 (In-person combined total)
