*Don't cry for me,
I'll be okay.
I have taken wings and flown away.*

*Don't cry for me,
I'm not alone. I am at peace now
in my Father's home.*

*Don't cry for me,
I'm doing fine, and although it
seems a loss to you, the victory's all mine.*

*Don't cry for me,
Cry for each other now. Cry out for love.
Cry out for peace, cry out for common grounds.*

*Don't cry for me,
Remember all the laughs we shared.
Remember all the fun.
Hold them in your minds and hearts
'cause this servant's work is done. Please!*

*Don't cry for me,
But even if you do, just know that
I'm in Heaven now, patiently waiting for you.*

DON'T
CRY
FOR
ME.
