

# PRESS ON!

*Press on my sister, our connection is so deep*

*Press on my sister, it's okay to weep*

*I understand your woes, and I'm feeling your soul*

PRESS ON, PRESS ON, PRESS ON

*Press on my sister, take a pause for the cause*

*Press on my sister, just because, just because*

*Your steps are orderèd through His grace, His love  
and mercy won't ever be replacèd.*

PRESS ON, PRESS ON, PRESS ON.
