2025 CAREGIVER
AWARD HONOREE

DELYDIA MEADOWS

Delydia Meadows is a member of the Greensboro affiliate chapter, and participates in all chapter activities. I am nominating Delydia because of the love, care and concern she extended to another Greensboro Chapter member who died on September 26, 2025.

Rokisha Rover and Delydia were besties and church members for many years. When Rokisha was diagnosed with breast cancer recurrence in January

2025, we all stepped up to take her to medical appointments, sent cards, food and volunteered to sit with Rokisha. There was definitely a village of support.

However, I noticed that Delydia seemed to make the greatest sacrifice because she spent many nights in Rokisha's home to make sure that she would not be alone. I would hope that everyone has such a devoted, loving friend to take care of them during an illness. Delydia went above and beyond what was expected during a stressful nine-month period, and I am extremely proud to nominate her for the Caregiver Award.
